# About MyMobileInnovations

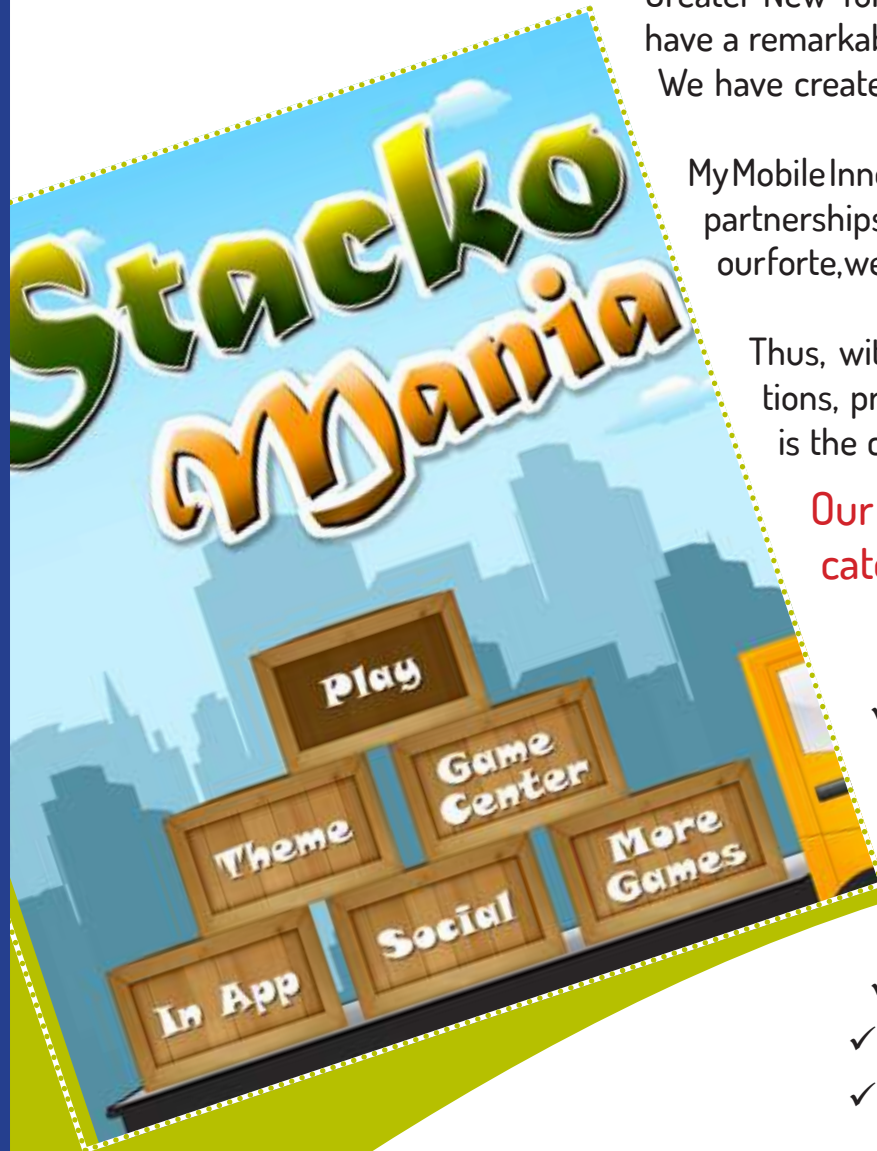

**My Mobile Innovations** is a USA based mobile application Development Company. We are located in Greater New York City area providing services to customers all across the United States and Canada. We have a remarkably successful track record of delivering over 70+ projects with utmost client satisfaction. We have created a niche market by offering our service as an innovative mobile application developer.

MyMobileInnovations, undoubtedly, is a thorough professional company and that is why we have developed partnerships with leading software development companies worldwide. With the innovation factor being our forte, we have also earned a reputation of being focused towards customer-orientation, in all these years.

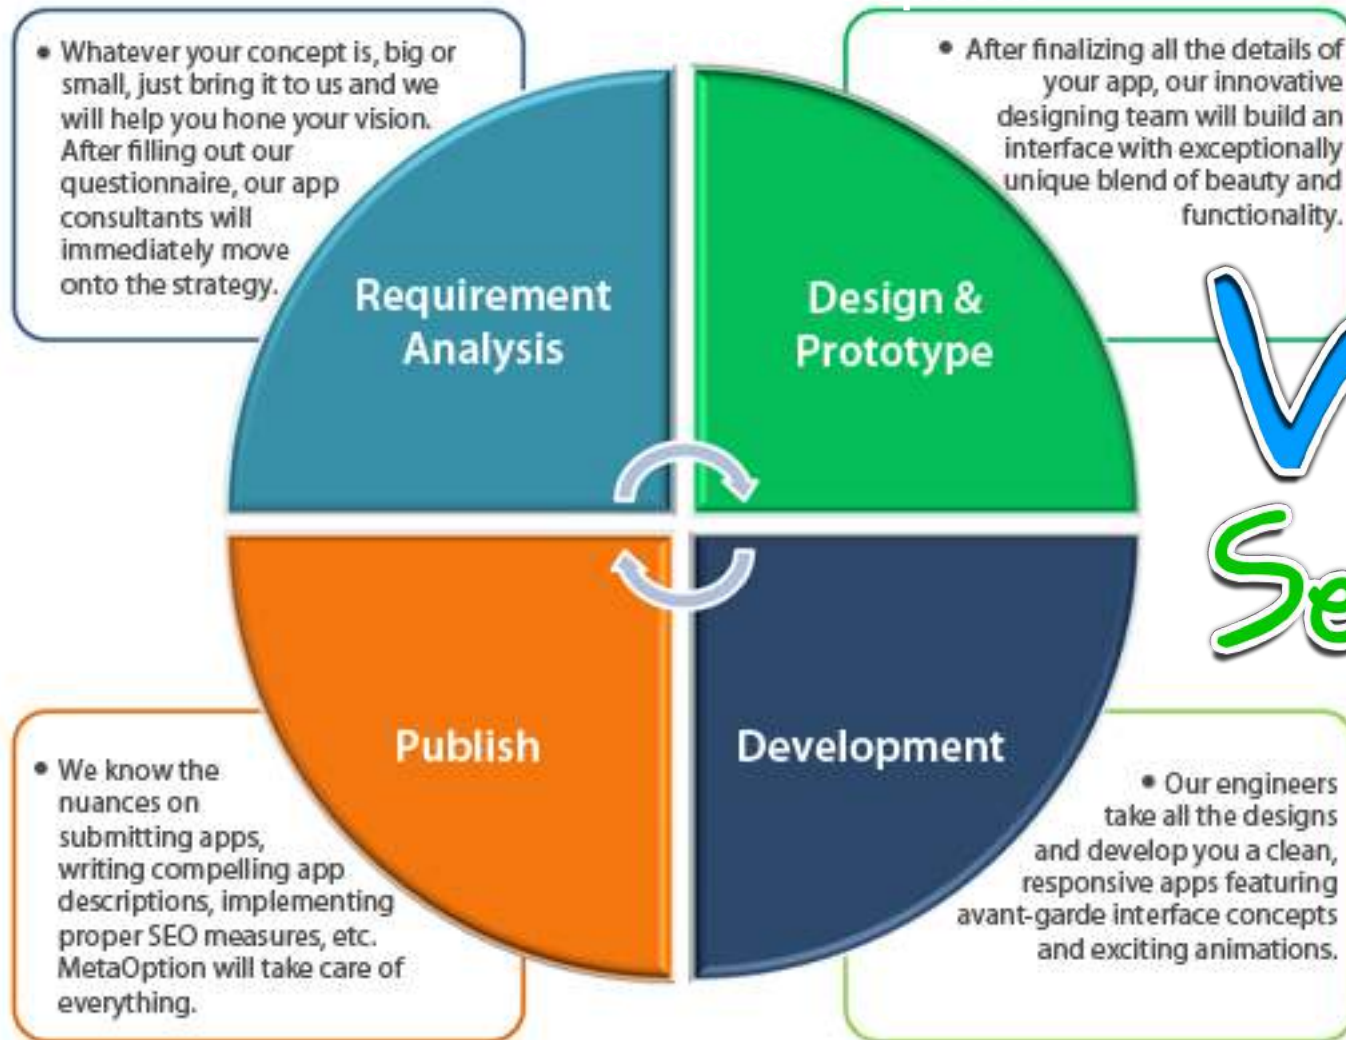

Thus, with the best technology available, the professionals at our company, My Mobile Innovations, provide highly sophisticated product development for mobile applications. Nonetheless, it is the cutting-edge technologies and their applications that distinguish an expert from a rookie.

**Our expert mobile game developers can develop games for all types of categories including:**

- ✓ Action Mobile Games E.g. - Ball and paddle, Fighting, Maze, Pinball, First-person shooter, etc.
- ✓ Multiplayer Mobile Games Development.
- ✓ Adventure Mobile Games E.g. - Real-time 3D adventures, Graphic adventures, Visual novels, etc.
- ✓ Kids & cartoon Mobile Games Development.
- ✓ Sports Mobile Games E.g. - Car Racing, Bike Racing, Cricket match, etc.
- ✓ Puzzle and Strategy Mobile Games E.g. - 4X game, Artillery game, Real-time strategy (RTS), etc.
- ✓ Educational Mobile Games Development.
